

Marketing bulletin

Brand/product	ZERO Thresholds
Date	6/1/18
Subject	Updated Catalog Section Now Available

An updated version of the thresholds section of the ZERO International catalog is now available on the Allegion website. It can be accessed using the following link:

https://us.allegion.com/content/dam/allegion-us-2/web-documents-2/Catalog/Zero_Thresholds_Section_Catalog_112231.pdf

Updates to the catalog include:

- How to order guide added
- Clarification added on accessories and options
- Removed obsolete products
- Certification information reviewed for ANSI/ BHMA and UL
- New profile images where needed

Please note there is an ongoing effort underway to transition the ZERO website over to the Allegion platform. We will maintain frequent communication regarding this to keep you informed and ease the transition.

ZERO Website: www.zerointernational.com

You can navigate to the new catalog content on the ZERO website by going to-
Catalog & CAD Library > Catalog Table of Contents > Thresholds.

Allegion Website: www.us.allegion.com

You can navigate to the new catalog content on the Allegion website by going to-
Search (upper right corner) > “Zero Thresholds”> Returns catalog in search results or Document library > search library> “Zero Thresholds”> Returns catalog in search results
